

HURONIA STALLIONS FOOTBALL CLUB

Huronias Stallions Football Season Update: July 5th 2021. Revised July 20,2001

Re: RETURN TO PLAY

- 1) All field day activities will be in compliance with the measures set out by the Provincial Government, Simcoe County Public Health Unit, city of Barrie and City of Orillia
- 2) All coaches, volunteers, athletes will complete a COVID-19 screener upon arrival. Anyone who does not complete the questionnaire will not be allowed to participate that day. Covid screeners are to be handed in to the players respective coach and cross referenced with their attendance sheet. The coordinator of programs will keep the information for 1 month in the event of contact tracing.
- 3) If an athlete develops symptoms while at the program, the athlete will be isolated away from others and a parent will be informed to come and pick up the athlete immediately.
- 4) If a coach, staff member or volunteer develops an illness while at the field, they should immediately notify said person in charge and remove themselves from any contact with others and go home.

FIELD PROTOCOLS

1. Athletes must practice physical distancing at all times. 100% avoidance will be near impossible but will continue to encourage especially with our younger athletes.
2. Athletes will arrive with all their issued equipment on Athletes will line up outside the field entrance following physical distancing measures.
3. When approval is given to enter the field, each athlete will use the sanitizing stations provided.
4. Coaches will have face coverings when physical distancing is not possible. Athletes will not be required to wear a mask while on the field, unless parents want their athlete or if the athlete decides they want too.
5. Athletes must maintain physical distancing at all times in and around facility.
6. All equipment will be sanitized before and after each training time.
7. NO contact drills will be conducted until approval is given by the Provincial Government and our local Public Health.
8. Step 3 of the Provincial Governments reopening allows for contact between players, coaches will have hand sanitizing bottles that they will administer to each of their players periodically during drills.
9. Coaches and players will have their masks on when leaving the field at the end of practice. Player/coaches are to sanitize and go directly to their vehicles.
10. Daily coaches' meetings will discuss how the protocols/safety plans are working within the football practice structure. What is working, what if any changes are needed.
